DWS Service Company will use reasonable security procedures to provide assurance that telephone or electronic instructions are genuine, including verifying the identity of the caller, and will not be responsible for acting on instructions reasonably believed to be genuine.

I authorize my bank to honor all entries to my bank account arising in connection with any services I select or receive automatically. This power will continue if I am disabled or incapacitated. I have considered my ability to maintain this plan during such times.

Step 4 | Signature(s) (continued)

Medallion Signature Guarantee

A Medallion Signature Guarantee is issued by a bank, savings and loan, trust company, credit union, broker/dealer, or any member or participant of an approved signature guarantee program. Please note that a notary public is not an acceptable guarantor. An officer of the institution will ask for identification to be sure that you are, in fact, the person identified on this form and the person signing it. Once the guarantor has reviewed your request, verified your identity and your authority to act on the account presented to them, they will affix a Medallion Signature Guarantee stamp to your form.

DWS prefers Medallion Signature Guarantee stamps. We must receive an original stamp. If more than one signature is required on this form, we will need separate stamps for each signature. If you are obtaining a non-Medallion Signature Guarantee, please contact us. We may require additional documentation to complete your request.

To arrange a wire redemption: For DWS Money Funds, a wire will be sent the same day if requested before 11 a.m. CT and requests made after 11 a.m. will result in the funds being wired on the next business day. Wires from DWS Fund accounts, requested prior to 3 p.m. CT, will be sent the next business day.
