Dividend payment option

Use this form to change the dividends and/or capital gain options on your DWS Fund account(s) from reinvest to cash. If you wish to change your dividends and/or capital gains from cash to reinvestment, please contact us by phone or log on to your account at dws.com or by using the mobile app. Please note that if your account is registered as a retirement plan (IRA, profit sharing, money purchase, or 403(b)7) with DWS Trust Company as custodian, you must be 59½ years of age or older to receive dividends in cash because they will be reported as normal distributions on your yearly tax form. In addition, keep in mind an account cannot have cash dividends if it has an active systematic withdrawal plan.

For the account(s) listed below, you may have the payments sent to any person, financial institution or DWS Fund account you choose. If you wish to have the dividends on some of your accounts distributed using another method, a separate form should be completed for each method.

Please contact Shareholder Services at (800) 728-3337 or by e-mail: service@dws.com.

Medallion Signature Guarantee

A Medallion Signature Guarantee is issued by a bank, savings and loan, trust company, credit union, broker/dealer, or any member or participant of an approved signature guarantee program. Please note that a notary public is not an acceptable guarantor. An officer of the institution will ask for identification to be sure that you are, in fact, the person identified on this form and the person signing it. Once the guarantor has reviewed your request, verified your identity and your authority to act on the account presented to them, they will affix a Medallion Signature Guarantee stamp to your form.

DWS prefers Medallion Signature Guarantee stamps. We must receive an original stamp. If more than one signature is required on this form, we will need separate stamps for each signature. If you are obtaining a non-Medallion Signature Guarantee, please contact us. We may require additional documentation to complete your request.

† If acting on behalf of the account owner, or an entity such as a Trust, a Company, or an Estate, you must sign in the capacity of your title as it relates to this account, i.e. Joe Smith, Trustee; John Brown, President; Pat Jones, Executor; etc. The institution providing the Medallion Signature Guarantee for these types of accounts will require additional documentation. You may wish to contact the institution to confirm the documentation they require to provide you with a Medallion Signature Guarantee.
