Step 4 Cost basis information for partial redemptions only (optional)

Consult your tax advisor for more details before completing this section.

You do not need to complete this section if you are redeeming all shares from an account(s) listed above, or if you are redeeming shares purchased prior to January 1, 2012. If you are using your current cost basis method for this partial redemption, you do not need to complete this step.

Your current cost basis method will be used for partial redemptions unless you specify the shares to be redeemed below. If the share amount(s) you provide below does not equal the total amount of shares indicated in Step 3, your current cost basis method will be utilized to complete this redemption. If your current method is "average cost," then shares will be depleted using the "first-in, first-out" (FIFO) method.

*If "specific lot" is selected, please include the date of each purchase and its corresponding number of shares. If nothing is provided, we will redeem using the "first-in, first-out" (FIFO) method.

To change or revoke your cost basis method for an existing account or for all future accounts, please log into your account at www.dws.com or by using the mobile app, or fill out and mail the Cost Basis Election form. For further assistance, you may contact us by phone or by e-mail using the information provided at the beginning of this form.

Medallion Signature Guarantee

A Medallion Signature Guarantee is issued by a bank, savings and loan, trust company, credit union, broker/dealer, or any member or participant of an approved signature guarantee program. Please note that a notary public is not an acceptable guarantor. An officer of the institution will ask for identification to be sure that you are, in fact, the person identified on this form and the person signing it. Once the guarantor has reviewed your request, verified your identity and your authority to act on the account presented to them, they will affix a Medallion Signature Guarantee stamp to this form.

DWS prefers Medallion Signature Guarantee stamps. We must receive an original stamp. If more than one signature is required on this form, we will need separate stamps for each signature. If you are obtaining a non-Medallion Signature Guarantee, please contact us. We may require additional documentation to complete your request.

† If acting on behalf of the account owner, or an entity such as a Trust, a Company, or an Estate, you must sign in the capacity of your title as it relates to this account, ie., Maria Perez, Trustee; Mohammad Patel, President; Keisha Jones, Executor; etc. The institution providing the Medallion Signature Guarantee for these types of accounts will require additional documentation. You may wish to contact the institution to confirm the documentation they require to provide you with a Medallion Signature Guarantee.
